PROFILE

Hi, I'm Fayaz, a passionate UI/UX designer turning creative ideas into user-friendly, visually appealing interfaces. Skilled in color theory, typography, wireframing, responsive design, and prototyping, I strive to create designs that enhance user experiences and leave lasting impressions. Always eager to learn, I stay updated with the latest trends to keep my work fresh and innovative.

WORK EXPERIENCE

UI/UX Designer   Jun 2024 - Currentt
@ Home Freelancer

Worked on home freelance projects to practice and enhance my skills. Designed user-friendly and interactive interfaces by utilizing wireframing, prototyping, color theory, and typography. These projects allowed me to improve my design capabilities and better understand real world design challenges.

UI/UX Design Intern   Sep 2024 - nov 2024
@ Tensai Devs

Completed comprehensive training in UI/UX design, focusing on core design principles, including wireframing, prototyping, color theory, and typography. Gained hands-on experience in creating user-friendly interfaces and improving design workflows to meet user needs effectively

Junior UI/UX Designer   Dec 2024 - Feb 2025
@ It Wing Technologies

Me has worked as a Junior UI/UX App Designer, where she contributed to creating user-friendly and visually appealing app designs. Her responsibilities included designing wireframes, user interfaces, and collaborating with developers to enhance user experience.
